

DR ABDUL KALAM'S GO GREEN INITIATIVE

Our Former President Dr. A.P.J Abdul Kalam highly encouraged the 'Go Green' initiative. He said, "The Earth is changing, it's time to change ourselves". So to commemorate the first death anniversary of Dr. A.P.J Abdul Kalam, our Headmistress, Ms. Kamala Krishnan, along with the students of PSBB School, Siruseri planted a sorghum sapling in the school premises.
