

## VIGILANCE PAYS

As part of the celebration of “Vigilance Week”, Power Grid Foundation of India conducted an essay writing competition on the topic “Importance of Good Governance Practices” for the middle schoolers. Around 46 students from class 7 and 8 participated. Mr. Surendran, Asst. General Manager, Powergrid Corporation, Chennai, addressed the students about the importance of them being the change they wanted to see in the society. He said that students should do the morally right thing in all situations, however simple their actions. He also spoke about vigilance awareness – to be conscious and alert of yourself and your surroundings.

Participation in the competition gave the children an opportunity to learn more about government practices and reflect on the good ones. The prize winners received their prizes from Mr. Surendran and our Vice Principal. All participants received a small gift as a token of appreciation.

The following were the prize winners of the essay competition
