

‘INFO HIGH 16’

Vidya Mandir School held its annual Info High contest on 12th November 2016, to test students’ proficiency in the field of computer technology. The programming contest called ‘**DO-IT**’ commenced at 9.30 am. The students were asked to write C++ programs for 5 innovative questions. This was followed by a mind boggling, **SCAN-IT**, where students racked their brains to debug complex codes, and predict their outputs. In **SHOW-IT**, a PowerPoint presentation competition, S Arjun of class 10, made a terrific presentation on astronomy. The final contest was **TELL-IT**, a quiz that tested the students’ technical skills. The students of PSBB made the school proud, by winning the **Rolling Trophy, that has been ours, for the past five years!**
