

'Sustainable Tourism' – Science Day Celebrations - KKN

Science day celebrations WANDERLUST 2017 was held on 1st march 2017 at Dr. Mrs. YGP Auditorium, KK Nagar on the theme 'Sustainable Tourism'.

The Chief Guest, Dr. Madhusudhanan Kalaichelvam, an alumnus of PSBB, is an architect by profession taking up conservation projects to restore temples and colonial buildings.

The programme began with an invocation to the Almighty followed by a theme song on swachatha in tourism. The significance of science day was highlighted. The theme 'sustainable tourism' was beautifully explained through a PowerPoint presentation by Keerthana, the Science Secretary.

The cultural programme included a 'villu pattu' and a tableau by students of middle school.

The chief guest motivated the students to promote cleanliness by carrying a trash bag during travel, visit places of interest in India first before taking trips abroad and to reduce wastage.

Prize winners of the prestigious AK Samban Award, science quiz (class9) a poster competition (class 6-8) were honored. The science magazine 'Amalgam' was released.

On the whole, the programme exemplified edutainment' in its true sense.
