

## ABUZZ - The Inter PSBB Quiz

An extremely exciting and competitive year for the Quizzers of the PSBB group of schools culminated at the grand finale-Abuzz. Two teams of three from each of the branches-Nungambakkam, KK Nagar and Siruseri faced off in a battle to win the title for themselves and the school, at the Dr. Mrs. YGP Auditorium on 11<sup>th</sup> April 2017.

This being the year of the Diamond Jubilee Celebrations, a new addition to this annual event was a rolling trophy for the school with the highest aggregate score, giving the teams all the more to fight for.

The quizmasters for the event were Dr. Naveen Jayakumar and Mr. Venkatesh, both extremely well-known and respected in the Chennai quizzing circuit. What followed was a tightly contested battle of wits, as the students were tested on their knowledge of subjects ranging from science and heritage to pop culture and cinema.

Ultimately, the two teams from PSBB Nungambakkam bagged the first and second prizes and the Rolling Trophy, while the third place was won by the team from KK Nagar.
