

## RECOGNITION FROM THE BRITISH COUNCIL

Padma Seshadri Bala Bhavan T.Nagar has been appreciated by the British Council for the work done in maintaining the sustainable goals set while competing for the International School Award.

The message received from them:

“Thank you for sending us your school’s exemplary work under the Sustainable Goals Theme. The Power Point you shared took us through your school’s very enriching journey of instilling the value and importance of the Sustainable Development Goals amongst your learners. Your Power Point also very beautifully exhibited how your school has achieved collaborative learning outcomes through these activities.

I would like to congratulate you on being selected as **one of the five best entries we have received from schools from all over the country.**

Congratulations on the inspiring work done.”

Our work has been taken by the British Council for the online competition “UK India year of Culture”

The school has received a set of 29 books of well-known authors from the British Council as a token of appreciation.
