

## **Elder's Day Celebration at PSBB T.Nagar**

Every year, 1<sup>st</sup> October is celebrated as the International Day for Elderly people, which was first established in 1990 by the United Nations General Assembly. The day is an opportunity to highlight the important contributions that older people make to their family and society.

A skit by the Dramatics club students was presented on Wednesday, 4<sup>th</sup> October 2017, to commemorate the importance of elderly people. In the end, students held posters with slogans emphasising the need for taking good care of elders.
