

CELEBRATING THE 100th DAY AT SCHOOL

Students of class 1, 2 and 3 of PSBB T.Nagar celebrated their 100th day in school in the current academic year in a unique manner. They used their learnings in the computer class to have fun.

As the students of class 3 had learnt the topic “Carnival” and designed all related materials to it like posters, invitation etc, they decided to combine this with the upcoming Navratri festival and put up an informative Dusshera carnival showcasing special features from the four corners of the country. The importance of the Banni tree which is worshipped in most parts of India from Andhra Pradesh to Uttar Pradesh was well brought out too.

Students of Std. 1 were seated in the shape of 100.

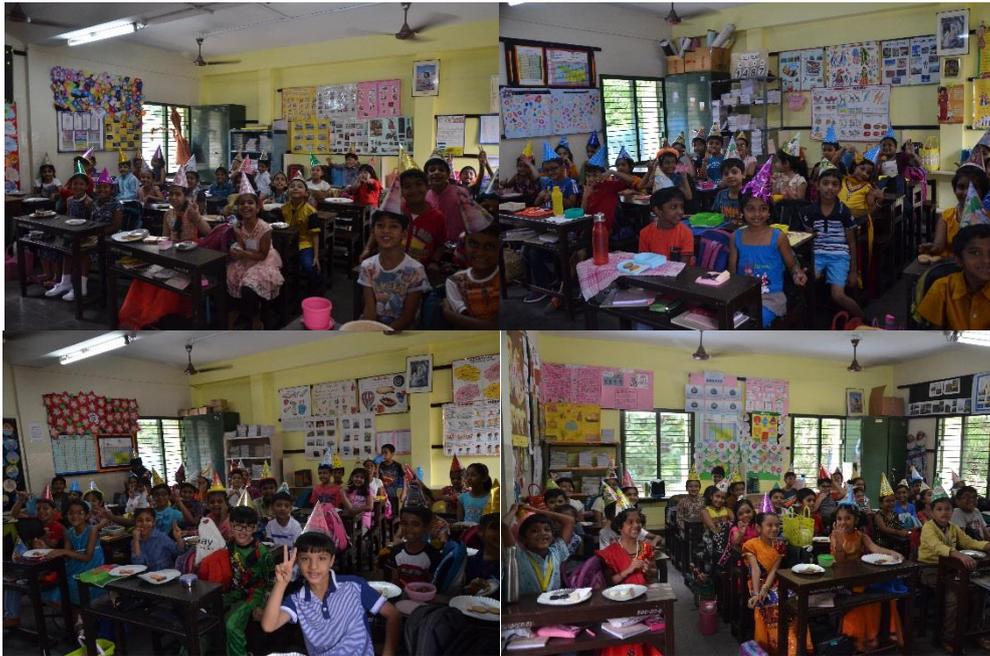

Students of Std. 2 had learnt to design the snake and ladder board in their computer class. They put it to use in a novel way with live comic characters – Dora, Ben10, Power Puff girl and Popeye as coins with a jumbo board and a huge die to roll. The audience enjoyed the game cheering their favourite character.
