

Cleanliness Is Next To Godliness!

Mission – Temple Cleaning

The cleaning of a temple proved to be an elevating experience for the students of Std. 10 of PSBB Nungambakkam. A part of the diamond jubilee celebration, it was carried out as another of the 60 little drops of social service. The Prassana Venkateshwara Temple in Kipauk was chosen for this purpose and the students set out at 9:30am on 18th November 2017.

Fuelled by the prospects of the noble act, the students began their task. Broomsticks, brushes and rags were used to clean the idols, pillars and floors. All the students, however diverse, were united in their cause, a common platform in their service to God.

Initiated by the school management, the Principal, Mrs. Vasanthi. S and the teachers, Mrs.Kalpagam L and Mrs.Anuradha, The students made best use of this opportunity. Mr.Allagapan Chandramouli (President of the Temple Trusteeship Council) also made arrangements to facilitate this program.

The students enjoyed the curd and tamarind rice which they were given as 'prasadam'.

This experience not only gave the students the satisfaction of doing a social service but also gave them the chance to connect with God on a personal level. When they cleaned the temple, they also cleaned their minds, hearts and souls.

Thus the students, helped restore this 38 year old temple to its original sanctity and returned to the school, completely satisfied and feeling blessed!

Satisfying service!
