

Entertainment for a cause

About 24 students of Pre-kg, LKG and UKG of PSBB T. Nagar visited 'Sevachakra' an orphanage at Choolai, Chennai along with parents and teachers on 19th Dec'17. The orphanage houses 110 children of which 50 are boys and 60 are girls, belonging to different age groups.

The kids from PSBB entertained the children at 'Sevachakra' by singing rhymes using different props. They in turn also delighted us with music and dance. We then distributed fruits and garments to the children of 'Sevachakra'.

This visit has helped us sow the seed of empathy and compassion in our children and raise good values in our future generation.

It was a memorable and unforgettable experience to see the love and joy of sharing between children.
