

SPENDING TIME WITH THE LESS PRIVILEGED

Two teachers and twenty students of Std.III of PSBB T. Nagar visited SRS Sarvodaya Girls Hostel at Chetpet which houses 75 students belonging to the poorest strata of society. These students have come from rural areas and study in 4 different schools.

The students from PSBB provided these students with stationery items like examination paper, pens, geometry boxes, chart paper etc. and interacted with them.

It was interesting to know that these students at the hostel, despite their own condition, save a rupee from what little they get and pay for a meal for the 75 residents as their contribution.
