

ANOTHER CHERRY ON THE PI

Adithya Narayan XI B

Tarun Prasad XI B

The 6th of January 2018 was a day to cherish for the quizzers of PSBB Nungambakkam, as the team comprising Tarun Prasad and Adithya Narayan of XI - B bagged the first place in the interschool math quiz conducted by Bala Vidya Mandir School.

The quiz was conducted as part of the school's annual math expo, which also included other events such as a treasure hunt, sudoku, model making, teaching a mathematical concept and various others. The quiz consisted of two stages: a written prelims comprising of multiple choice questions, and an on-stage finals in which the top five teams battled it out for the winning position.

After six rounds of quizzing, which included questions on mathematicians, logical reasoning, analytical thinking and problem solving, as well as buzzer questions that kept the participants on their toes, the finals ended with the PSBB team winning comprehensively and stamping their authority in the arena of mathematical quizzing.

The two students were awarded a trophy and a certificate each, besides the honour of winning a challenging quiz that witnessed the participation of a number of teams from schools throughout Chennai.

Win or lose, all the participants admitted to learning something new through the quiz, as well as thoroughly enjoying the competitive yet exciting atmosphere.
