

## REACHING OUT

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well"- [Ralph Waldo Emerson](#)

PSBB T Nagar reached out to neighbourhood school- Little Flower Convent Higher Secondary School for the Blind and Deaf, Nungambakkam on 26th March 2018 by planting 5 neem tree saplings and 25 plants as part of their Green Initiative of the Diamond Jubilee Celebrations of the PSBB group of schools. Our students carried placards with messages on importance of trees. The headmistress of Little Flower School, sister Jaycee thanked our school management for this novel initiative and assured that their students would take good care of the saplings and plants. Our students were also sensitized to the differently abled students by Vice Principal Mrs. Durga Chandrasekar. Together all students participated in the tree planting event and it was indeed a joyous and unique experience for students of both schools. The parents of our students also helped in the planting and were happy to see their children engaged in a noble social cause.
