

## LKG Class Project – Winged Wonder

Students of kindergarten had the opportunity to explore the fascinating world of birds when they witnessed the LKG class project titled “Winged Wonders’ held on 4<sup>th</sup> April, 2018, Wednesday. Children were able to learn all about the different variety of birds their nests, food habits and habitat in a fun and interesting way. Our Deputy Dean and Director Mrs Sheela Rajendra witnessed the project along with our Vice Principal Mrs. Durga Chandrasekar and appreciated and congratulated the children and teachers.
