

Virutcham 2018

Virutcham '18 was an inter school competition organised by the Green Brigade Club of College of Engineering, Guindy to instil passion towards nature for the younger generation. In this connection, many competitions were held for students of classes 4 to 8. Our students won prizes in the following competitions:

Conversation De Energia- Pranav Arun, P.L. Shalu and Ashwath Narayan of 8A won the first prize. In this competition, the team had to handle a given situation with 10 materials to conserve energy efficiently.

Digital Bird Watching and Tree Survey: Dhananjay Krishna (7C) and Srivats Gopal (7B) won the first prize.

React – Enacting and helping to find environmental uses. Team comprising of SanjanaBhat (5C), Nayanthara Krishna (5C) and Krishang (5 A) won the second prize.

Our students also participated in the drawing competition and in making wealth out of waste.

PSBB T Nagar won the overall trophy in this event.
