

SUCCESS AT GENESIS

The students of Class 11 have brought pride to our school, yet again! Ranging from events like Block and tackle, Band, Creative writing and Dumb charades to even securing the coveted Miss Genesis title, they certainly proved themselves as tough competition to the other participants.

This cultural was organised by Asan Memorial School on August 2nd and 3rd, and was the fourth cultural of the year that the Class 11 students attended. It was truly a thrill for the participants from PSBB NGM present at the event, to watch their friends perform on stage and bag various prizes.

We hope to be able to tell similar stories of success in the cultural to come!
