

**Success @ TCS  
IT WIZ 2018!**  
Tech wizards of Ngm

R.S.Adithya Narayan & Pratul Rajagopal

The creations of great inventors and technical masterminds have led us to believe that any advanced technology is indistinguishable from magic...

It was that time of the year again when the biggest inter school IT quiz in India, the TCS IT Wiz, was to be conducted for school students! Naturally it was not a surprise to see the joy painted on the faces of R.S.Adithya Narayan and Pratul Rajagopal of Class XII-B when they found out that they were to represent PSBB Nungambakkam at the same.

The TCS IT Wiz, a 'knowledge initiative', aims to build awareness and emphasize the importance of IT skills and enable students to look at technology from a holistic perspective.

This year's edition was conducted on 21<sup>st</sup> August at Music Academy, Royapettah, Chennai. The participants consisted of more than 800 teams from schools in Chennai, Pondicherry, Kothagiri and Vellore.

After a series of thought – provoking questions put forward by a pick brain quizmaster, the students of PSBB Nungambakkam emerged as 4<sup>th</sup> place winners!

Their commendable technical knowledge was rewarded by prizes consisting of a gym bag, a multifunctional torch, a pen drive and a wireless speaker.

The boys certainly proved that technology truly amplifies our power!
