

Puff Puff Chook Chook off we go!

The excitement in the buses was palpable! Students of LKG of PSBB T. Nagar were taken on a field trip to the Rail Museum on 10th October, 2018!

On reaching the venue they were greeted by many colourful railway coaches and a toy train waiting to take them for a joy ride. After the ride they spent sometime in the well-maintained play area followed by a snack break. Finally they witnessed an enchanting display of working models of a set of electric trams. Soon it was time to get back to school. Children were exhausted but filled with beautiful and delightful memories of a wonderful fun filled day spent at the Rail Museum.
