

## **BAG – O – DRAMA**

This year General Assembly had a new event “Bag O Drama “. As the title suggests the event was full of drama, laughter and adventure. It was all about creating a story with a set of objects given in a bag. Students enjoyed it and proved that the art of narrating a story is the foundation of learning and teaching. It mirrored the imagination of students in interpreting their experiences in the best possible way. The hall reverberated with laughter authenticating the success of the event.

‘Bag O Drama’ is a wonderful addition to the GA as it brought out the innate hilarious and musical ability of participants for instance Arjun Pant, School Pupil Leader who is known only for his academic proficiency so far surprised the audience with his histrionics.
