

GANESH CHATURTHI

In accordance with the fundamental principle of instilling values in the younger generation festivals of India are celebrated year after year in our school Vinayaka Chaturthi was celebrated very colourfully on 12-09-2018. Students of IV & V enthusiastically sang a song and presented a dance in glory of Lord Vinayaka.

Lord Ganesha is invoked before the beginning of any work. He is all powerful and blesses the people with sight and wisdom. The speech rendered by a student highlighted the need to worship Lord Ganesha who removes all obstacles in our life's journey.
