

Patriotic fervour in the Air!!

India marked its 70th Republic Day on January 26, 2019. The teachers, parents and students of P.S.B.B, K.K.Nagar gathered in large numbers to celebrate this milestone.

The festivities began with the rendition of our National song 'Vande Mataram' by the school choir. This was followed by the hoisting of our national flag by the chief guest, Mr. S.J.Chiru, IAS, Commissioner of Agricultural Marketing and Agribusiness in the Govt.of Tamil Nadu. All rose together to sing the national anthem while the RSP regiment of the school stood in perfect array.

The students then put up a brilliant show highlighting the unique features of our constitution. This act covered aspects such as formation, assimilation and evolution of the Indian constitution. After this insightful street play, our school choir performed a medley of patriotic songs in Acappella style.

The Principal Mrs.Geetha Govindarajan appreciated all the students and teachers for their efforts. She then spoke about how we must bring about changes and educate not just the illiterate but also the literate.

Mr. S. J. Chiru highlighted that freedom is a concept which must be understood and savoured. He then went on to tell the congregation about how we must believe in ourselves as we are the only ones who can live upto our interpretation of 100%. The key focus of his address was on the concept of energy, intelligence and integrity. He linked the three beautifully by saying "Without integrity, your energy is wasted and your intelligence is dangerous."

The event came to an end as the gathering dispersed after understanding that their rights and duties go hand in hand.
