

Visit of Swami Vivekananda Ratham to PSBB, T. Nagar

As part of the 10th Hindu Spiritual and Service fair by IMCTF, the Ratham of Swami Vivekananda is being brought to schools.

PSBB T. Nagar was happy and honoured to welcome the Ratham on 28th January 2019 at around 10.20 a.m.

The programme commenced with the prayer song 'Maithreem Bhajatha', sung by the students who took part in 'Ganathon' that was organized by IMCTF on 25th Jan 2019.

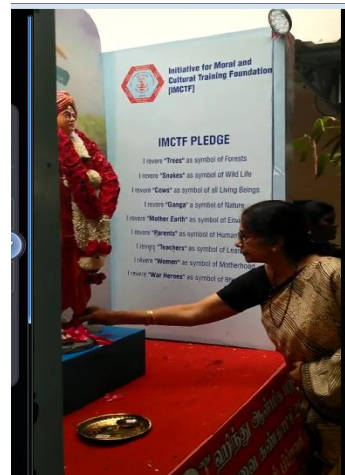

This was followed by an inspirational speech by Avarthana Anand Srinivasan of class 8C on Swami Vivekananda. She said that there is no doubt that over the years, many leaders have come and gone, but there are a handful of them who have made a deep impression on the psyche of Indian youth. One among the several leaders who has inspired young Indians is undoubtedly Swami Vivekananda. She also reminded the audience (comprising of students of class 6-8 and staff members) of the iconic speech made by Swami Vivekananda at the Chicago Convention of Parliament of Religions where he introduced Hinduism to the world. Though he lived for only a short period of 39 years, Swami Vivekananda has travelled all over the world and country, in order to awaken people and make them aware of their true potential. Several decades after his passing away, his words remain immortal and inspirational. He will always remain in the hearts of the youth.

Sharan Keshav S of class 7B and Madhavan of class 5B recited shlokas on Swami Vivekananda and Sharada Devi and explained the significance as well.

Mrs. Durga Chandrasekar, Vice Principal and Mrs. Praseeda, Senior Manager, garlanded the idol of Swami Vivekananda and performed the Seva.

While the pooja was being performed, the Ganathon choir group sang the song ‘Prabho Ganapathey’, which was followed by ‘Bhuvanamandale’ written on Swami Vivekananda and sung by Nanditha Kannan of class 8C and Shreeya U N of class 7C.

The students of Std VI to VIII and teachers offered flowers to the idol of Swami Vivekananda to mark their respect.
