

## **FilmIt – INTACH**

FilmIt is a contest organized by INTACH, a government organization. Students participating from different schools were expected to make at least one film out of the given five topics. We had an introductory session in 16<sup>th</sup> August 2018, with cameramen, photographers and editors giving us different, useful tips that we had no clue of earlier. We were given our topics too, which were all related to heritage of India. The main idea of this contest was to bring awareness about India's unique heritage. The students were asked to film a video on the spot, at the school where the event happened, Sri Sankara Vidhyashram, Tiruvanmiyur. We, a group of six students made a video in their park, on the topic "Swachh Bharat". After this event, we were asked to make our films and submit by January 2019. J.Saadya(6M) and Aadhavan Sridharan(6E) formed a group, and uploaded two videos, one on Bhagavatha Mela and the other on Tamirabarani Pushkaram. The other participants were K.Sadhana(7H), M.B. Aditya Narayan(7L), BA.Pranava(8K) and M.V.Harshavardhan(8M). We enjoyed the experience and learnt a lot. On 19<sup>th</sup> February, the final day of the event, PSBB KKN School got the "Best Visuals" award for the video on "The Bhagavatha Mela".
