

## ABUZZ – Inter-school Quiz Club Finals

“Knowledge is the greatest gift man can give to his past, his present and his future.” The Interschool Quiz Club Finals for Sub-junior and Junior categories, of PSBB group of schools took place on 10<sup>th</sup> April, 2019 in the Dr. Mrs. Y.G.P Auditorium.

The event for the Sub-junior level took place in the morning, and the event for the Junior level in the forenoon session, with 6 teams of 3 students each from primary school and middle school respectively, competing in an exciting and fast-paced quiz. The Quizmaster for the day was S.P. Sreenidh, (alumnus of PSBB KKN and student of Computer Science at IIT Madras) whose passion and interest in quizzing uplifted the entire program.

The quizzes were well-structured and versatile, comprising questions from space, science and cinema to politics and pop culture. The students were sprightly and quick in their thinking and jumped at opportunities to score, keeping the spirits high and competition tight. It was marvelous to see that the children of this generation are actually a lot more well-read and aware of things happening in the world, than they are given credit for. Both quizzes also included a special Theme Round that gave new dimensions to the quiz with trickier questions kept all of us at the edge of our seats.

Quizmaster Sreenidh’s kept the audience and participants interested with his quips and consistent encouragement. The audience were also very receptive and were competing for the first place themselves.

Mrs. Indira Vaidyanathan gave away the prizes to the winners of the sub junior category and Mrs. Chandra Srinivasan and Mr. Y.G. Rajendra to the winners of the Junior Category. Mrs. Chandra Srinivasan honoured Quizmaster Sreenidh with a memento.
