

PSBB shining! At The Galaxy Science Quiz 2019!

"Wow! What a feeling it was to get the fourth place in the Galaxy Science Quiz !" said the team of three consisting of Visvam Srinivasan, Shrivats Gopal and Sankar Vaidyanathan of 9B as they entered the campus of PSBB Nungambakkam.

Visvam Srinivasan, Shrivats Gopal & Sankar Vaidyanathan of IXB

The galaxy science quiz 2019 which was organised by Rotary Club of Chennai Galaxy and Quiz Foundation of India, was held at Kamarajar Arangam on 18th July 2019. The quiz was conducted by renowned quiz master Navin Jayakumar.

Science, math, technology and current affairs were the topics covered at the quiz. Initially a written prelims was held, after which the finals were conducted on stage. Finally, the Nungambakkam team bagged the fourth place out of 408 teams! Each team member, was awarded a tablet (Iball) , Bluetooth earphone , Bluetooth speaker , Sunglasses , Pierre Cardin pen & a Pen drive

"It was an exhilarating contest, Yay!" exclaimed the jubilant students, who were congratulated by the Principal Mrs Vasanthi S "You can do even better next time!" she encouraged.
