

Winning Laurels!

Annual Prize Distribution Ceremony – STD X & XI 2018-19

The morning of 18th July 2019 was filled with excitement and joy as the students of std XI gathered to witness the annual prize distribution of STD X and XI (2018-19). The atmosphere in the courtyard of PSBB Nungambakkam was pulsating with energy as the winners and their parents waited in eager anticipation.

The ceremony started with a melodious prayer rendered by Nanditha of std IX after which a detailed power point presentation on the highlights of the school during 2018-19 was shown. The toppers of class XII and X of 2018-19, Olympiad winners and various other achievements of the school such as the anniversary function, sports day event, etc. were displayed. The Principal, Mrs. Vasanthi S. then welcomed the gathering, after which **the Chief Guest Mr.P.S. Srikanth, Chartered accountant and an alumnus of PSBB (1980),** was welcomed with a memento by her. He was then requested to address the gathering.

Advising the students of class X and XI, Mr.Srikanth said, “Stay focused on your true vision and don’t let anything deviate you from the path to success.” He stressed the importance of holistic development - ‘the USP of the school’ which included respecting elders, getting their blessings everyday and maintaining traditional values. “PSBB alumni are found in every major corporate institution around the world”, he concluded, encouraging the students to continue the tradition.

Mr.Srikanth then proceeded to distribute the prizes to the meritorious candidates who had won prizes in academics, discipline, social service and artistic skills, congratulating them.

It was a memorable moment indeed to the proud parents and the prize winners!
