

Fostering Women's Honour

A woman is a force to be reckoned with, it is the duty of every single one of us to honour her. This is the moral value we showcased through a Thillana (greatness of Guru) set in the Ragam Madhuvanathi by Sri Madurai Murali on 31st January at Guru Nanak College, Velachery.

We took the example of our very own beloved mentor Dr. Mrs. YGP and performed a dance, dedicated to her. It was a mesmerising classical performance which taught us the importance of respecting every woman as our mother. The dance also portrayed how our educational pioneer worked to shape our future .It enlightened us about the other women leaders and pioneers who selflessly dedicate their lives to noble causes.
