

Dear parents

Greetings! As school is closed for 'Safe and Healthy indoor Stay,' your child's academic progress needs your intervention, support and supervision.

Kindly ensure that a well- chalked out study Time -Table is prepared for different subjects and is adhered to with self discipline.

We urge the students to study, in detail, the lessons taught so far so that the concepts are strengthened and revised thoroughly.

Children have plenty of time to prepare themselves. They will eventually take up their Exams/ Cycle Tests/ Assessments when they are back in school.

Happy and Healthy Home Schooling!

From, PSBB Group of Schools. Nungambakkam, TNagar, K K Nagar & Siruseri
