Meet & Greet
SESSION
ACADEMIC YEAR 2020-2021

MEET and GREET -In the online world!

Remote E-Reopening Day 2020 - PSBB Nungambakkam

24th June 2020 was indeed an exciting day for all- teachers, students and parents, when the much-awaited new academic year 2020-21 began with a difference-through an online platform! The ripples of anticipation and happiness that coursed through the students, especially the awe-struck ones of class nine, who were just entering the haloed portals of the 'Main School', was palpable! The auspicious inaugural day was commenced at 9 am with a prayer, seeking the blessings of Dr. Mrs. YGP, the beloved Founder of the PSBB Group of schools.

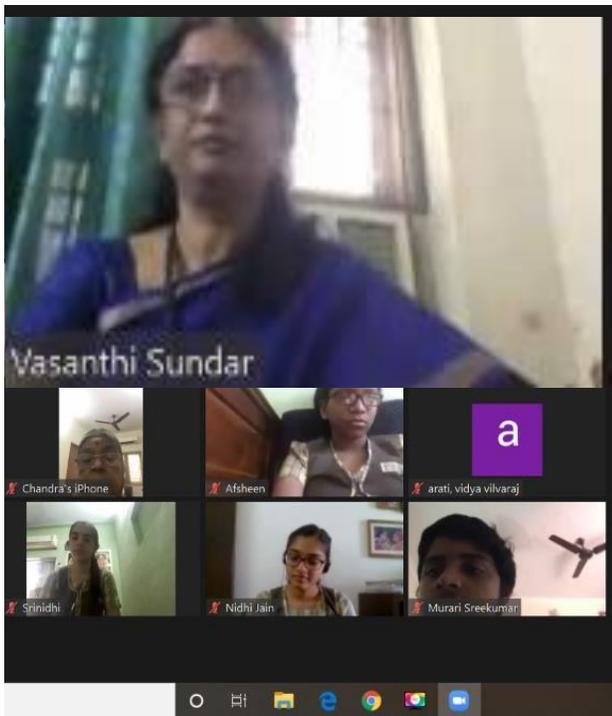

A time table had been framed for online classes and shared in WhatsApp groups formed by the class teachers, using the phone numbers of the parents. Students and teachers logged into the Zoom links which had been scheduled for the purpose ,as per their time table.

A personal audio message from Mrs. Sheela Rajendra, Dean and Director & Correspondent, PSBB Group of schools was played during each session, to welcome and motivate the students and staff on the reopening day. " The remote learning scenario is certainly not the same as physically coming to school. Let us accept this unprecedented situation and rise to the occasion.. On this day and always, we seek our greatest guru Dr. Mrs. YGP's divine blessings, to be showered on each and everyone of you!" she said. She also personally addressed the students and teachers,

in a session with the students of class ten, blessing them and wishing them " All the best for the new academic year !"-definitely a moment to cherish!

Mrs Vasanthi welcomed all the classes personally at each session, which began with a prayer conducted by Dr. Mrs. Chandra Ramani, senior Sanskrit teacher - aired live from her Pooja room, to seek the blessings of the Almighty and the founder, Dr. (Mrs) YGP. She then expressed her appreciation of the enthusiasm and dedication displayed during the E teaching -learning process, by both teachers and students that had taken place religiously since April, soon after the 'lockdown' had thrown everything out of gear suddenly at the end of March! Lesson modules had been sent in accordance with a timetable drawn up for the purpose. A Practice test had also been conducted. " Lesson modules will continue to be sent and you can study the same at your own pace, due to the limitation of online sessions" she assured the students, who took the opportunity to thank the Management and the teachers for the mammoth efforts they were taking to prepare and send the lessons in a systematic manner.

Students were then briefed on the do's and don'ts of online classes. Details regarding the timings and duration of each class and short breaks were given to the students. Students were asked to attend class only in uniform and be ready with the necessary stationery items required for the class. Mrs. Vasanthi emphasized the need to be responsible about the links sent for the classes and advised the students "not to share the same with any outsider!" Doubts on the topics covered could be sent to psbbngmacademic@gmail.com . "It is important to take short breaks in between sessions in order to avoid eye fatigue" she cautioned. 'The time table has been scheduled in such a way that you get a ten-minute break after each class, to drink water, use the washroom etc. You must be ready for your class after eating well .It's important to hydrate yourselves properly too!" she added.

Mrs Vasanthi then introduced the class teacher and the subject teachers of each class to the students, who greeted the students in turn. Mrs. Asha Pillai ,the Asst. Vice Principal of PSBB Nungambakkam wished the students "All the very best for the new academic year 2020-21!"

It was indeed a pleasure to see the beautiful smiles on the young faces of the students, when they finally got to see and greet their teachers on the 'Remote E - Reopening Day 2020',ready to face the next challenge ,together !
