

ORIENTATION SESSION FOR PREKG- PSBB T. Nagar

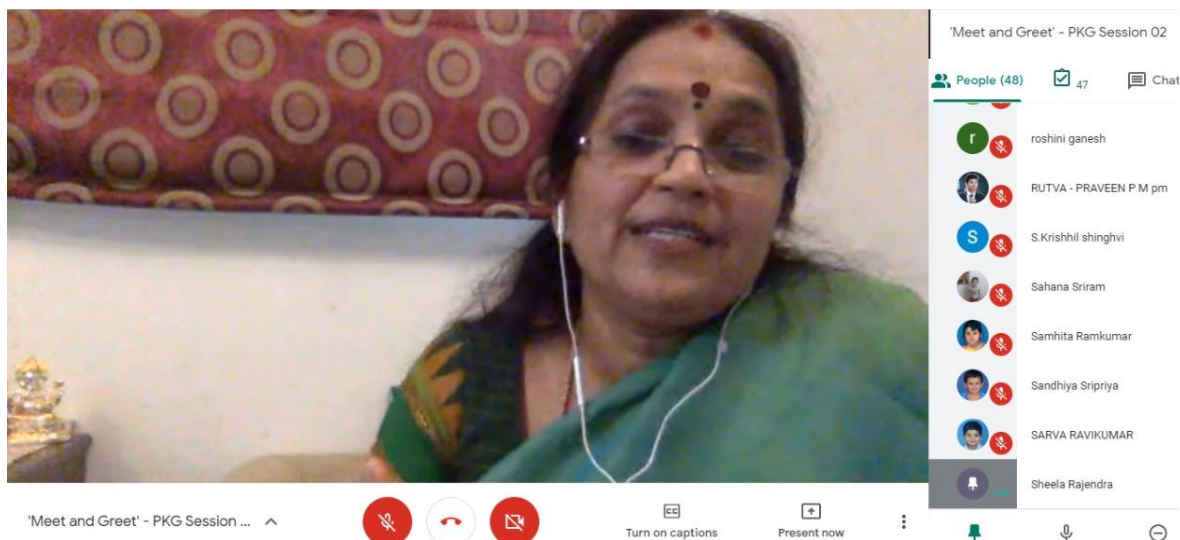

“Meet and Greet”- the orientation session for parents of Prekg students (2020-21) of PSBB T. Nagar was held on 10th July 2020. It was indeed a new experience for the parents, students and the faculty of PSBB to interact with each other on the online platform.

There were two sessions for the parents, Section A and B parents in the first session and Section C and D parents in the second session.

On the 10th of July, at 6.A.M. itself, the parents received the video of the prayer of PSBB, marking a divine beginning to the day.

Parents began logging in early for the sessions, eagerly awaiting their first connect with the school. After a soulful prayer, the video of the address of Mrs. Sheela Rajendra, Dean & Director and Correspondent was played.

Mrs. Sheela Rajendra – Dean & Director & Correspondent welcoming the parents

This was followed by a speech by Mrs. Sheela who after welcoming the parents to be part of the PSBB family, shared with them the philosophy of PSBB. She explained that besides the skills the children would pick up during the online classes, Skill-A-Way activities were being displayed on the school website to enable both parents and students pick up life and self-help skills. She also outlined a few points to be kept in mind for the online “Mom and me “sessions.

Vice Principal, Mrs. Durga Chandrasekar briefed the parents about the structure and norms of the sessions and Mrs. Geetha Hariharan enlightened them about the different types of skills that Prekg children need to develop (gross motor, fine motor, cognitive, sensory etc).

Being an auspicious day, the teachers began the first interaction with the tiny tots with a rhyme session.

Tiny Tots enjoying the rhymes session

The meeting ended solemnly with the rendering of “Sahana Bhavathu”
