Autobiography OF A Butterfly

I am a red admiral butterfly and have black forewing with many white spots. I have a large family. I am the youngest member. My parents taught me to protect my territory and stay safe.

One day when I was playing in our buttercup field, I heard two other red admiral butterflies talking. The first one said, "This buttercup field so beautiful." The second one replied, "Why don't we take it for ourselves."

After I heard this, I rushed to my parents and told them about the conversation. My family decided to fight back. We marched to the buttercup field and saw the mean butterflies approaching us.

We fought with them with all our strength and sent them back to their own houses. We rejoiced over our victory and I was called as the 'Hero of the day'. My brother lifted me up and everyone cheered for me and praised me!

We had a big victory party and there was a big banner that had SAVIOUR OF THE FIELD written on it. I felt happy and promised everyone that I will be brave always. We enjoyed the party.

Autobiography of a Butterfly – May 20

Bad Things

Bad things are happening everywhere;
what can you do to stop it!
Spread good and speak good,
Don't get angry and don't get sad,
All these things will soon end,
As good will surely ascend;
To stop evil and to stop bad deeds,
Help those who are in need,
So, if you don't want to be influenced
By bad things,

Be brave and stand for your rights.
Face the challenges with might.

Ice Cream

Vanilla, Chocolate,
Butterscotch and strawberry,
topped with grapes,
Plums and cherry,
Pieces of apple
laden with berries;
eating ice cream makes
Little children merry!

Pink

Pink is found in posies
Of blooming roses,
Pink is the colour of evening sky,
Where colorful birds fly;
Pink is the color of the flamingos,
Which migrate in the winter at
Chicago;
Pink is the colour of fat pinky pigs,
Which grunt and root under the
mud as they dig;
Pink is the colour of our favourite
treat,
Which is strawberry ice cream that
we all love to eat;
Pink is the colour of the bubblegum,
Chewy, sticky that everybody would
want some.
