

TEACHER'S DAY CELEBRATIONS 2020

The true teachers are those who help us think for ourselves.

- S Radhakrishnan

Teacher's Day is held on the 5th of September every year to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan- one of India's most celebrated educationists. This year, PSBB Siruseri held a school-level Teacher's Day Celebration on the 15th of September 2020, organized by the students of class 12.

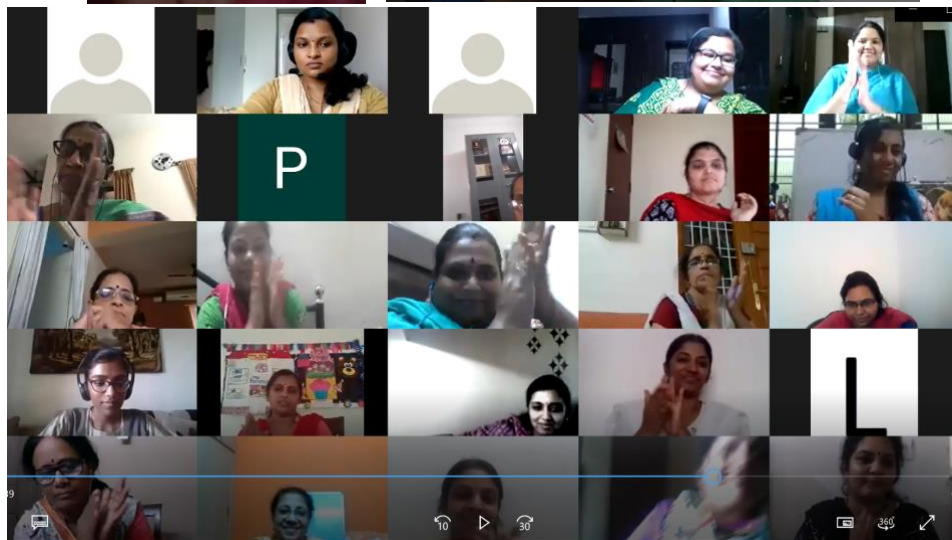

E-invites were sent out to the all the teachers of the school and a zoom link was created for a meeting at 2:30, 15th September. The proceedings started off with a prayer to the Almighty. The event was graced by the Dean, Director and Correspondent of the PSBB group of schools, Mrs. Sheela Rajendra, the Principal of PSBB SRS, Mrs. Vijayalakshmi Raman, and the Headmistress of PSBB SRS, Mrs. Kamala Krishnan. All the teachers and host students were also in attendance. The welcome address was followed by a musical tribute by class 12 students. Two games were conducted by the students for the teachers- Bingo and 'Meme This'.

For the first game Bingo, the rules were explained, and the participants were split into breakout rooms. In each breakout room, a host student displayed a template of 50 questions- riddles, rebuzz and general knowledge questions. A bingo grid

was drawn, and the participants tried to strike off the grids by answering the questions as fast as possible. For the second game- 'Meme This', initially a few example memes were given and defined in a creative and humorous manner. Then, the teachers were asked to give entertaining reactions and mind-voices for the memes on the screen.

In order to convey thanks to the teachers for all the knowledge they have imparted, a video was played- 'A Tribute To Our Gurus'. All the class 12 students spoke a few lines of their experiences, conveyed their thoughts, and expressed their thankfulness. In conclusion, the online gathering was addressed by the dignitaries present, and the vote of thanks was given.

Everyone was thoroughly entertained and had a great time. The games were very interactive and enjoyable. The teachers had lots of laughs,a break from the on line classes.. It was filled with happiness and a tinge of melancholy for the class 12 students as it was their last year at PSBB. The seniors left the zoom platform with a sense if satisfaction of having made the teachers think rack their brains only to answer,incorrectly while attempting the word games!.
