

## A Colourful Canvas of Talents

The first meeting of the Art club was held on 31/10/2020. There were 22 students present from classes 9 and 11. The teachers in charge were Mrs.Radhika, Mrs Sudha and Mrs. Priya Menon .

The 11<sup>th</sup> grade students had prepared a PPT on the various types of Indian art forms of painting. The seniors presented and explained the PPT. They spoke about the Madhubani paintings, the Miniature paintings, Thanjavur paintings and Warli paintings.

The club members were briefed on the procedures followed in Warli art and watched two tutorial videos on Warli art enhancing their knowledge and admiration towards this art. An activity was assigned to the members – to try out Warli art. It could show a festival, a marriage or just day to day depictions of a person's life, by drawing birds, animals, instruments, men and women. The students were to display their artwork to the class the following week. It was a very innovative and fun way of perfecting the student's artistic talents. The art club class was very interesting and all the students eagerly look forward to the next club meeting on 21<sup>st</sup> Nov.
