

InQUIZitive Minds

On 21st November 2020, the students of the Quiz Club of PSBB T. Nagar got to attend a virtual session with Mr. Arvind Rajeev- founder & partner of X Quiz It. Mr. Aravind, a well-known quiz master has hosted tailor-made quizzes and other knowledge-based events for various prestigious Institutes like the IIT's, IIM's, ICAI and ICSI.

His session on the 5Ws (Who? What? Where? Why? When?) of quizzing was a lively and enriching session. Valuable guidance and information on the importance of critical thinking through questions was given. Children were asked to give structure to the love for trivia and take up quizzing as a competitive endeavour. Getting into the habit of innovative learning from an early age, he stressed, was important.

Mr. Arvind gave an insight into how quizzing bridges academia-industry gap and how corporates play a vital role by using quizzes to give students much-needed early exposure and make them skilled and job-ready. He explained that Quizzing is not just about GK, but about connecting the dots, reading between the lines and arriving at a logical conclusion! Towards the end of the session Mr. Aravind also conducted a live quiz online which ensured complete participation from the audience.
