When the Annual Prize Distribution ceremony for the students of Std.X (2019-20) commenced at 9 .05 A.M. on the 30th of November 2020, there was a flurry of excitement among the prize winners. It was their special day and they waited eagerly to hear their names being announced at the virtual event, which was relayed and watched live on the official YouTube channel of the institution by parents, teachers, administrative staff and students. The Dean and Director and Correspondent of the institution, Mrs Sheela Rajendra and dignitaries from the PSBB Group of schools attended the programme, which began with a prayer.

Mrs. Vasanthi Sundarajan, Principal, PSBB Nungambakkam, rendered a cordial and affectionate welcome to the virtual audience. The chief guest Mrs. Bama Balakrishnan, the Chief operating officer, Northern Arc Capital, an alumna of the school was then introduced.

In her address, she motivated the students, drawing from her own experiences. She quoted Winston Churchill - "Success is not final, failure is not fatal: it is the courage to continue that counts." Her speech inspired the students to aim higher and approach their challenges with resilience. Mrs. Sheela Rajendra addressed the students congratulating them on their remarkable performance in the Board Examinations. She appreciated the efforts of the teachers and conveyed her best wishes to everyone.

The names of the prize winners were then announced in batches. Digital photographs were taken of the prize winners, with the dignitaries and donors. The prizes announced included academic and co-curricular and ranged from sports, attendance, conduct, proficiency prizes in all subjects, to all-rounder and special prizes. The highlights of the students' achievements -both academic and co-curricular of the academic year 2019-20 were displayed and the event calendar for the current year was also screened, in between the announcement of the prizes.

The vote of thanks marked the end of the memorable programme, heralding a new beginning and greater opportunities in the coming years!
