Fingers -the index of imagination

The Art club session on 21st August started off virtually with a prayer. The activity for the day was - Little Finger puppets, using 3 simple loops. It was an easy, yet fun craft to do. We first learnt to make a simple bumble – bee puppet. Later, everyone came up with new accessories to embellish the bee puppet. Some added flowers , a few attached wings, a few others rosy cheeks and much more! We all had fun. We then came up with different puppets using the same loops like bears, rabbits and cats. The instructions given by the teachers were easy and clear. Then the teachers told us to upload our ‘Loop -finger puppets’ in the padlet.
