

Science Day Celebrations (2021- 2022) – Middle School

Doodle/ Poster Competition

As part of the Science Day celebrations (International Year of Basic Sciences for Sustainable Development), doodle /poster making competition was held on 16-2-22 wherein all the students of middle school participated with great enthusiasm.

The topics given were :-

Std 6 - Good Health and Wellbeing

Std 7 - Safeguarding Natural Resources

Std 8 - Science and Technology for Sustainable Future

The students internalised the topics given and doodled their ideas passionately in the allotted time of forty minutes.

Pictures of the students in action
