

## PSBB Students celebrate World Environment Day 2022

Students of PSBB T. Nagar celebrated World Environment Day on 5<sup>th</sup> June 2022 at Jeeva Park.

The theme ' Only one Earth' with focus on 2022 being the ' Lunar Year of the Tiger' saw the students assembling as early as 6.30 am in the morning at the park. The program was to create awareness on "Saving Tigers".

Students from L.K.G. to Std 8 conducted a rally around the park, carrying placards with messages on tiger conservation – the need to save them and collective, transformative actions that can be taken to protect them. The accompanying chant 'Save Tigers' in their youthful innocent voices echoed around the park, making the visitors pause, read the messages and appreciate them.

The rally was followed by a street play in English and Tamil interspersed with Tamil folk songs conveying the conversation between the tigers and human beings. It was touching to see the 'Tigers' request human beings not to hunt them for their skin and other parts and give them their rightful place on the planet. 'Remember that we are on the top of the food chain' they said 'and play an integral part in maintaining a healthy ecosystem'.

In turn, the ‘human beings’ accepted that they should not let their greed play havoc with the life of tigers and their habitat.

“Having One Planet” highlights the need to redefine our thoughts and actions to create a world that gives all forms of life (including tigers) their own space.

‘Let’s live and let live’ announced the young children – a message that resonated with all the people in the park- the joggers, visitors and parents. The event was conducted as part of an activity of WWF-India and was reported in the media .

### Downtown, The Hindu – 12th June, 2022

**A ‘roaring’ Environment Day message by school students**

Students of PSBB T Nagar leave visitors at Jeeva Park entertained and thinking

The theme of this year's World Environment Day is 'Only one Earth' and 2022 is the 'Lunar Year of the Tiger', and students of PSBB T Nagar melded these two ideas and came up with a rather unique message on June 5, one that they delivered in a refreshingly novel manner. The students ranging from LKG to Standard 8 assembled at Jeeva Park as early as 6.30 a.m., and took out a rally about "Saving Tigers", carrying placards with messages on tiger conservation. The accompanying chant 'Save Tigers' delivered in the children's youthful and innocent voices echoed around the park, making the visitors pause and read the messages and appreciate them. The rally was followed by a street play in English and Tamil interspersed with Tamil folk songs that conveyed a "conversation" between tigers and human beings. It was touching to see the 'tigers' request human beings not to hunt them for their skin and other parts and give them their rightful place on the planet.

'Remember that we are on top of the food chain' they said 'and play an integral part in maintaining a healthy ecosystem'. In turn, the 'human beings' accepted that they should not let their greed play havoc with the life of tigers and their habitat. "Having One Planet" highlights the need to redefine our thoughts and actions to create a world that gives all forms of life (including tigers) their own space, says a press release from the school.

'Let's live and let live' announced the young children - a message that resonated with all the people at the park- the joggers, visitors and parents. The event was conducted as part of an activity of WWF-India.

# PSBB celebrates World Environment Day

Chennai, June 10: Students of PSBB T. Nagar celebrated World Environment Day at Jeeva Park. The theme 'Only one Earth' with focus on 2022 being the 'Lunar Year of the Tiger' saw the students assembling as early in the morning

at the park. The program was to create awareness on "Saving Tigers".

Students from L.K.G. to Std 8 conducted a rally around the park, carrying placards with messages on tiger conservation – the need to save them and collective, transformative

actions that can be taken to protect them. The accompanying chant 'Save Tigers' in their youthful innocent voices echoed around the park, making the visitors pause, read the messages and appreciate them.

The rally was followed

by a street play in English and Tamil interspersed with Tamil folk songs conveying the conversation between the tigers and human beings. It was touching to see the 'Tigers' request human beings not to hunt them for their skin and other

for their skin and other parts and give them their rightful place on the

planet. 'Remember that we are on the top of the food chain' they said 'and play an integral part in maintaining a healthy ecosystem'.

In turn, the 'human beings' accepted that they should not let their greed play havoc with the life of tigers and their habitat.

"Having One Planet" highlights the need to redefine our thoughts and actions to create a world that gives all forms of life (including tigers) their own space.

'Let's live and let live' announced the young children – a message that resonated with all the people in the park- the joggers, visitors and parents. The event was conducted as part of an activity of WWF-India.

Mrs. Sheela Rajendra, Dean and Director & Correspondent as well as Mrs. Durga Chandrasekar, Senior Vice Principal receiving a book on wild life in Tamil Nadu from Ms. Lalitha Ramadurai, Senior Programme Officer, WWF India – Chennai.
