

## World Music Day

Music is a divine language which helps us to put forth our prayer for peace.

World Music Day was celebrated on 21<sup>st</sup> June at PSBB T.Nagar.

The bright Tuesday morning had a divine beginning with a melodious rendition of ‘Maithreem Bhajatha’ and ‘Shanthi nilava Vendum’ by our school choir group (students from Std IV to VIII).

Smt.Srividhya Umamahesh, an esteemed Carnatic vocalist, who joined us on this occasion, addressed the students.” Genres may differ, choices may differ, yet music is universal. One has to learn music or any art form as it activates the creative process and relaxes the mind”, she said.

Smt Srividhya then rendered the beautiful composition ‘Karunai deivame’ which brought out the lilting joy and divinity in music.

Mrs. Durga Chandrasekar, Senior Vice Principal, while thanking Mrs. Srividhya and appreciating the School Choir group for their mellifluous rendition also drew the attention of the gathering to the underlying message that is spread on World Music Day. She reiterated that Music is yet another medium to spread the message of good health, kindness, sharing, caring and universal peace. .
