

Teaching students' good manners and basic courtesy has become the need of the hour, to keep the fading values alive for future generations.

The General Assembly by the students of Standard Two set the ball rolling for the Class Project On COURTESY on (13.09.22). The project commenced with a welcome note and a brief of what courteous is all about.

Furthermore, the students demonstrated the act of kindness, Being Respectful and Good Manners through a skit to impart the parameters of good behaviour in the audience.

Subsequently, the importance of working as a team, accepting others and not being lazy was delivered through Bharathiyar Song Odi Vilayadu Papa.

The Headmistress addressed the gathering and laid emphasis on:

Charity - as an act of kindness. She also shared the value of respect given to teachers, table manners, etiquette thereby helping oneself groom to be a polished person. She also insisted on being modest and decent while talking and behaving with others.

Students proved, Courtesy is the gift of treating others with warmth and respect through an activity.
