

PRE-KG CLASS PROJECT – MY FAMILY

On September 20, 2022, (Tuesday), the tiny tots of PreKG presented the class project titled "My Family." The narrator welcomed the gathering and briefed about the project. As the narrator introduced the family members, the participants enacted their respective roles. Related rhymes were sung by the students. Children thoroughly enjoyed the show and recited a few rhymes along with the teacher. A follow-up activity was done. A palm tracing of each child was taken on a sheet of paper where the children were encouraged to draw different family members. The show was appreciated by the Heads.
