*We want education by which character is formed,
strength of mind is increased, the intellect is expanded,
and by which one can stand on one's own feet. - Swami
Vivekananda*

We the students and teachers of Std. Two went on a virtual tour to West Bengal. The students prepared their own tickets and boarded the train on 22nd of September. The students were excited to experience West Bengal on 23rd of September. They were all set to explore an incredible treat to their eyes.

The students assembled in Pre KG Hall where more information about the place was shared. Students from all the sections spoke about different topics like- travel, location, climate, places of interest, cuisine, costume etc., a few things famous in Bengal and colourful charts were displayed.

The students also performed a heart-warming folk dance of Bengal which compelled even the teachers to pitch in and shake a leg with students. The programme was thoroughly enjoyed by Mrs. Geetha Mahadevan, Co-ordinator Primary. In addition to the above, a few students were dressed up like Swami Vivekananda, Rabindranath Tagore and Sushmita Sen.

The programme was a visual treat and enjoyed by all.
