

Awareness programme on Substance Abuse and its Consequences

The Rotary Club of Vadapalani along with the Interact Club of PSBB KK Nagar organized a lecture for the students of class XII to create awareness on addiction and how to be cautious of it.

The panel of speakers consisted of Dr Akila Ayyappan, psychologist Mrs Sangeetha and lawyer Rtn R Amizhdhu. The causes and the effect of substance abuse on the psychology of the individual, legal consequences thereof and the impact on the entire family and society at large were discussed in detail followed by a question and answer session. It was a highly informative and educative session that cautioned the students and encouraged them to make better choices in life.
