

# CHILDREN'S DAY

The tiny tots of PreKG celebrated the Children's Day on 14th November 2022, Monday. The children were gathered in the stilt area and recited rhymes enthusiastically. They enjoyed the music and dance performance of the teachers. As a part of the celebration, on 16th November 2022, Wednesday, a fancy dress show was held and it was indeed a great pleasure to view the children as fruits and vegetables. They spoke a few sentences about their role and rejoiced their participation.
