

## FUN FILLED ACTIVITIES ON CHILDREN'S DAY

“Every child is a different kind of flower and all together makes this world a beautiful garden”. Childhood is a blessing and the most fun filled phase of life. As Children's day is celebrated to mark the birth anniversary of Jawaharlal Nehru, who was extremely fond of children, students of Std One enthusiastically participated in the Children's Day activities conducted by their teachers in the class. Children enjoyed playing memory and blindfolding games. Teachers further read a story and gave a greeting card to make the day more special.
