

LKG – CHILDREN’S DAY FANCY DRESS PROGRAMME

Jungle Safari was the theme chosen for the fancy dress presentation by students of LKG to go with Children’s day celebration. It turned out to be an exciting trip through the wonderful world of wild animals. The participants were dressed in colourful animal costumes and had an important message to share- The earth is our home too! Save us and protect us!

The highlight of the show was a group of baby elephants dancing to the evergreen and joyful tune from the movie ‘Hatari’. The programme was enjoyed thoroughly by all the kindergarten children. Mrs. Vijayalakshmi Raman addressed and appreciated all the participants, teachers and parents.
