

Celebrating the Food We Eat

The students of LKG, PSBB T Nagar welcomed the audience to dine with the ELVES as part of their class project 'Food We Eat'. All the visitors joined in the celebrations that showcased some delicious healthy food. This was followed by enthusiastic quiz masters challenging the audience with a quiz on fruits and vegetables. There was a farm and supermarket as well where a child spoke about food sourced from animals. A live kitchen and some action songs wrapped up the show. The message 'Eat Smart to Stay Fit and wear a Healthy Smile' was well received by all.
