

Story Telling Session

“Storytelling is the most powerful way to put ideas into the world today” - Robert Mckee

The 3rd of April 2023 was a day of excitement for students of Std One.

They got the opportunity to listen to Mrs Cauvery Kesavasamy, Author, who read her story “The Whispering Tree”. The picture book with colourful illustrations subtly gives the message about exclusion through a play during summer vacation.

Children enjoyed enacting the characters in the story (roar like a lion, whisper like the tree etc.) as the author went forward, querying them, to gauge their understanding and perspective of the story. The students in turn asked her many questions during the narration. It was a very interactive and enjoyable session. Tanrika Narayan, a student of V C, who has had her story ‘The Crisis’ published in the book ‘The Spectacular Story Tellers’, also got an opportunity to talk about her story and interview Mrs Cauvery Kesavasamy.
